

Horizon Real Estate
& General Maintenance

A MESSAGE FROM THE FOUNDER

First and foremost; I am sincerely thankful for your time and consideration to learn about Horizon Real Estate. When I founded Horizon Real Estate in 1995; my aim was to build a company that will provide world-class quality services in the field of Real Estate & General Maintenance.

Together with my team, we build Horizon Real Estate with full dedication and created a strategy to ensure we will excel amongst competitors. With our fruitful years, we proudly adopt a strategy to ensure we control all aspects of property management and general maintenance while keeping an emphasis on world-class quality services and exceeding client expectations.

We at Horizon Real Estate are proud of achieving our goals and surpassing challenges over the years, especially during the pandemic time. Our practical and hands-on approach to property management solutions has proved us to be very successful and building long-term relationships with property developers, landlords, and customers. We expand our network, adopt new technologies and discover new ways to reach our target market.

We are an exceptionally professional team, approachable, and provide customized services to our customers and business partners. We will continue with the quest of finding the best way to satisfy our loyal customers and future ones. As you learn more about us, I am confident that we are the right company for your Real Estate & General Maintenance needs.
